25th Anniversary Special

Thank you to everyone who came to our open day

On 30 September, we welcomed people to our building to celebrate 25 years of KHL

Enjoying the exhibition

A showcase of art and photography

Delicious scones!

Creating a legacy piece of artwork

A warm welcome

Learning about the work of KHL

Conversations in the garden

Exercise class taster session

Reading about our history

Opportunities to network

KHL Chair Pam Essler

"A big thank you to everyone for all the work that went into planning and supporting such a wonderful event. Not only did it showcase the present organisation but also provided an opportunity for people to reminisce and remember the past as well as plan for the future. We are so lucky to have such a strong supportive group of people working with us. Thank you from the bottom of my heart."

Tree planting

As part of our celebrations we also planted a commemorative tree at Cliffe Castle. You can find it near the picnic benches above the playground.

The plaque reads: "Celebrating 25 years of community growth".

BBC features Keighley Community and Family Hub

Back in August, the BBC featured an online article all about childhood vaccinations – and our very own Community and Family Hub in Keighley was a big influence for the piece.

As childhood vaccination rates face a national decline, our community-first approach proves that convenience and trust are key to protecting our children. By transforming a vacant retail unit into a warm, welcoming space, we are breaking down barriers for busy, overwhelmed families.

Well done to everyone involved; a prime example of successful partnership working.

You can read the article here: There's a reason child vaccination rates are falling or scan the QR code.

Canal trip for our volunteers
Some of our volunteers enjoyed a wonderful day out on the canal back in July.

With glorious sunshine, great company, and plenty of smiles, it was a day filled with fun, laughter, and lasting memories for everyone involved

A huge thank you to Spirit of Endeavour for making this special experience possible!

Cancer screening - we need your feedback
As part of our Cancer Screening Awareness Programme, we're asking our amazing community to share their experiences and thoughts about cancer screening.

We want to understand the barriers that may prevent people from attending screening appointments, so we can help make these services more accessible for everyone. The feedback collected will be shared with healthcare professionals to support positive changes and improve awareness.

Keighley in Bloom - small garden winner

We are incredibly proud to announce that we have come 1st in the Best Small Garden category for Bloomin' Keighley, organised by Keighley Town Council!

Our garden is much more than just a green space. It's a peaceful retreat in the centre of town for staff, volunteers and everyone who visits the KHL Centre.

A massive thank you to our fantastic gardening group and a special shout-out to Stuart, who volunteers most days and works tirelessly to keep everything looking so beautiful.

What a wonderful achievement for everyone involved. Congratulations and thank you!

With Thanks

Thank you to everyone who has been fundraising and donating to KHL - we couldn't do what we do without you.

Special thanks to:

- The Soroptimists of Keighley who held a fundraising wellbeing day
- One of our service users Tony, who gave us a generous donation
- The parents of one of our staff members who gave us their World Cup sweepstake winnings

If you'd like to make a donation, just click the 'Donate' button at the top of our website, or call into reception.
